Event Photography, Footage & Recordings

By attending this event, you agree to being filmed, photographed and/or recorded by WNSW PHN and/or our identified event partner(s). Any recorded material may then be used for online, social media, marketing or promotional purposes. If you do not consent to your image(s) or voice being recorded or shared, please email cpd@wnswphn.org.au

Terms & Conditions

- A minimum of 75% of the webinar must be completed to receive an event certificate for self-reporting CPD purposes and/or allocation of eligible RACGP points & ACRRM hours
- Email name, role, workplace and mobile number details of all attendees viewing webinar on the same device
- Complete and submit an evaluation for reporting and quality improvement purposes
- Please ensure this event suits your level of interest, experience and qualifications

To Thrive or Not to Thrive – That is the Question!

Presented by:

Dr Laura Stephens

Staff Specialist Paediatrician

Join Dr Laura Stephens for a presentation on normal growth and feeding in infants, how to assess and diagnose failure to thrive and formulating a differential diagnosis. The presentation will be followed by interactive case studies of several patients.

Program

7.00pm Welcome, Acknowledgement of Country & Introduction

7.05pm Education session

7.35pm Case studies and Q&A

8.00pm Evaluation & Close

Note: Q&A time may be extended if there is a high level of audience engagement

Learning Outcomes

By the end of this webinar, you should be able to:

- Identify abnormal growth in an infant
- Assess an infant with poor growth
- Determine first line investigations
- Utilise appropriate terminology to reflect concerns when referring to a paediatrician
