An Australian Government Initiative

Western and Far West Community Advisory Council

Western NSW Primary Health Network (WNSW PHN) is currently recruiting Consumers and Community members for the renewal of membership on the Western and Far West Community Advisory Councils.

Membership will be skills based and representative of individuals with either individual or organisational experience. Membership will be drawn from the five WNSW PHN planning regions with a particular focus on increasing membership in smaller rural and remote communities.

Do you have skills or experience.

- as a consumer or carer or as a representative of a consumer/carer body.
- in community services.
- in population health and inequity.
- in health systems and service development with a focus on prevention, primary and integrated care.
- in clinical governance and organisational development.

Priority will be given to interest or experience in the following areas:

- Aboriginal and Torres Strait Islander health and well-being.
- Chronic Disease Management.
- Mental Health, Drug and Alcohol.
- Maternal and Child Health.
- Disabilities.
- Carers.
- Aged Care.
- Primary Prevention and Early Intervention.

Your involvement in the Community Advisory Council will assist in developing local strategies to improve the operation of the health care system for health consumers across the whole of WNSW PHN region.

You will be required to attend at least three meetings a year and this can be via teleconference.

For more information about the WNSWPHN please visit the website www.wnswphn.org.au
