My Health Record Policy and Compliance

Presented by

Brenton Jones

Senior Digital Health Officer, WNSW Primary Health Network

This webinar will provide healthcare professionals with essential information about My Health Record including how to implement and access My Health Record in your practice/organisation. It will talk about the benefits for healthcare professionals in using My Health Record to improve information workflow for coordinating patient care.

Program

12.00pm Welcome, Acknowledgement of Country & Introduction

12.05pm Education session

12.45pm Q&A

12.55pm Evaluation & Close

Note: Q&A time may be extended if there is a high level of audience engagement

Key Discussion Points and Learnings

*Describe core features of My Health Record and recognize how it can help improve access to important health information and enhance co-ordination of patient care between healthcare teams

*Define participation & compliance requirements for implementing & accessing My Health Record

*Outline steps involved to register & implement My Health Record

*Identify how to use the key documents in My Health Record to support clinical decision making
