TYPE 2 DIABETES MASTERCLASS

Saturday, 14 June 2025

Savannah Room, Taronga Western Plains Zoo, Dubbo | 8.30am to 4.30pm

Join us in Dubbo on Saturday 14 June 2025 for a unique multidisciplinary educational opportunity focusing on type 2 diabetes in Western NSW.

This event is designed for professionals working in the care of patients with type 2 diabetes across our area, including: General Practitioners, GP Registrars, Practice Nurses, Diabetes Educators, Allied Health Professionals, Nurse Practitioners, Nurses (outside general practice), Aboriginal Health Practitioners, Aboriginal Health Workers, Medical Practice Assistants, Pharmacists, Specialists and Optometrists. We also welcome attendance by other medical practitioners with an interest in diabetes.

Guest presenters & panellists include: Dr Ted Wu – Metadiab; Prof Glen Maberly and the Western Sydney Diabetes team; Dr Manik Mayadunne and the Western NSW T2D ECHO panel
