## Chronic Disease Management: Improving health outcomes for patients with diabetes using CAT Plus

### Facilitated by:

**Mina Wanis** B.Pharm GCert.eHealth MPS  
PenCS NSW/ACT

*Western NSW PHN is pleased to invite you to this training session with PEN CS to look at Quality Improvement activities in your practice, using CAT Plus, for the prevention and management of diabetes.*

### Learning Outcomes

- Understand the functionality of CAT Plus
- Learn how to identify patients with pre-diabetes related measurements using CAT4 reports
- Learn about available CAT4 reports and filter to identify patients at risk for diabetes
- Learn how to identify patients with indicated diabetes without coded diagnosis recorded using CAT Plus
- Identify where to access resources to maintain a good diabetes register using CAT Plus
- Know how to access available resources to assist working with CAT Plus
