The RACGP NSW&ACT invites you to connect, in Broken Hill

This exciting interactive workshop will allow participants to learn, connect and create.

Registration includes:

- RFDS guided tour – Go behind the scenes with a guided tour. See the operations centre, enter the aircraft hangar and explore the interactive museum
- Emergency aeromedical retrieval – Learn more about the RFDS' emergency aeromedical evacuations. More details of this workshop to be announced.
- Innovate, collaborate, advocate – This interactive workshop will encourage participants to get started on their advocacy journey through role plays and small group exercises.
- Connecting, getting to know you – A series of 3 minute presentations presenting passions and interests.
- Mandala making or art as representation – Tap into your inner creativity and learn to create mandalas. Or learn explore and understand emotions and ideas through art.
- Lunch and dinner provided

Presenters:

- Dr Michael Wright – RACGP NSW&ACT Faculty Deputy Chair
- Dr Mary-Beth MacIsaac – Senior Medical Officer, Royal Flying Doctor Service
- Broken Hill Art Exchange – Presenters TBA

*Program and presenters selection may be subject to change

Connecting, in Broken Hill also has practice manager and receptionist sessions, for more information please email nswact.events@racgp.org.au
