## Event Photography, Footage & Recordings

By attending this event, you agree to being filmed, photographed and/or recorded by WNSW PHN and/or our identified event partner(s). Any recorded material may then be used for online, social media, marketing or promotional purposes. If you do not consent to your image(s) or voice being recorded or shared, please email [cpd@wnswphn.org.au](mailto:cpd@wnswphn.org.au)

## Common Problems in Gastroenterology and Hepatology

**Presented by:**  
**Dr Ted Stoklosa**  
FRACP, MBBS, MMed  
Gastroenterologist and Hepatologist

*This education session will explore common problems in gastroenterology and hepatology with a focus on abnormal liver enzymes, functional gastrointestinal disorders and identifying and treating patients with chronic liver disease. It will provide an understanding and suggested systematic approach to commonly seen issues in this field in a general practice setting. It will discuss practical issues including referral pathways and patient support.*

## Program

**7.25pm** Login  
**7.30pm** Welcome, Acknowledgement of Country & Introduction  
**7.35pm** Education session  
**8.15pm** Case study & interactive panel discussion / Q&A  
**8.35pm** Evaluation & Close

*Note: Q&A time may be extended if there is a high level of audience engagement*

## Learning outcomes

- Interpret, diagnose and triage issues associated with abnormal liver enzymes
- Identify and treat patients with chronic liver disease
- Provide an approach to patients with suspected functional gastrointestinal issues including Irritable Bowel Syndrome
