

# SAVE THE DATE

## Workshop: improving access to high risk foot care for people with diabetes across Western and Far West NSW

Workshop #1 Tuesday 30<sup>th</sup> November 2021, 4pm-5.30pm (AEST) 3:30pm-5:00pm (ACST)

Workshop #2 Tuesday 7<sup>th</sup> December 2021, 4pm-5.30pm (AEST) 3:30pm-5:00pm (ACST)

### Overview

The aim of this workshop series is to explore ways to improve access to high-risk foot care for people living with diabetes across Western and Far West NSW.

It will bring together key stakeholders across the districts to understand current care arrangements, identify gaps in service provision and explore models that improve access to care.

### Audience

The workshops are designed for staff who have a role in the provision of high-risk foot care. This includes managers and clinicians (medical, allied health and nursing) working across local health districts, primary care and private practice.

### Registration

This will be a virtual workshop series. Please register online by 17 November 2021.
