

## **Dementia Australia**

Bathurst, NSW Brain Hub

### **Dementia Australia Information Session**

Thanks to Federal Government funding, we are excited to visit and provide a free information session for Bathurst NSW, on the 22 April 2021.

Dementia Australia supports people of all ages living with all forms of dementia, their families and carers. As a GP or Allied Health Service provider have concerns about a client with changes to memory, thinking or behaviour, we are able to provide support and information to assist your client. Our highly experienced and qualified staff provide information, support and education services and can assist you to access supports and services in your community for your clients.

We would like to take this opportunity to invite all the **GP's** and **Allied Health Service provider** to this information session on Dementia Australia and the services we provide, over a breakfast meeting at:

#### **CWA Hall**

172 Russell Street, Bathurst NSW 2795

Thursday 22 April 2021

7.15am to 9am

A complimentary breakfast will be provided. Booking is required as we have limited seats, therefore please **RSPV by 20 April 2021**.

For more information and bookings:

Please email [\*\*NSW.Referrals@dementia.org.au\*\*](mailto:NSW.Referrals@dementia.org.au)

We look forward to seeing you there.
