Maximising your practice's Emergency Response Planning Tool (ERPT)

Facilitated by:

John Anthony Williams

Director Healthpoint ANZX (Pty) Ltd

WNSW PHN and Healthpoint ANZ are pleased to invite you to this hands-on training on loading and updating data to the ERPT. An up-to-date plan best positions your practice to appropriately prepare for, respond to, and recover from the impacts of emergencies within your community including a detailed pandemic section covering your Covid-19 pandemic plan.

*During this training, you will have the option to work directly on your own data (**remember to have your username and password handy**) otherwise you are welcome to sit and learn and update your plan at a later stage.*

Key learning areas

Module 1: Entering the practice details and staff members details

Module 2: Start completing the practices service and support providers details

Module 3: Complete and prioritise the series of risks to the practice and how to prepare, respond and recover for each

Module 4: Start the 'loss of power module'

Module 7a: Complete the cyber incident response module

Module 15: Touch on the importance of the Business Continuity module for accreditation

Module 16: Partially complete the pandemic planning module

Module 17: Complete the COVID Safety Plan – newly added
