Asthma & Spirometry Update for Aboriginal Health Workers & Practitioners

Presented by:

Suzanne Hull

Independent Respiratory Educator

This face-to-face Asthma Update for Aboriginal Health Workers and Practitioners will be held in both Orange and Dubbo. This workshop will provide an overview of asthma and spirometry tailored to the specific needs of Aboriginal Health Workers and Aboriginal Health Practitioners. Topics include asthma, medications, correct inhaler device use, written asthma action plans, emergency management and spirometry.

Learning outcomes

- Increase knowledge and awareness of asthma management and medications
- Develop practical skills to teach correct device use
- Increase confidence in managing patients with asthma
- Discuss acute asthma management
- Increase knowledge and awareness of the role of spirometry

Education Time

3.5 hours (plus 45 minutes for breaks)
