## Update on skin cancer and common skin presentations in general practice

### Presented by:

**Dr Deshan Sebaratnam, Dermatologist**

This education session will provide rural GPs an opportunity to learn about common skin presentations in primary care including skin cancer, acne, eczema and psoriasis. With the closing of Dubbo Dermatology at the end of June, Dr Deshan will conclude the meeting with an 'ask me anything' session and provide GPs with an opportunity to share feedback about how to try and provide some dermatology cover to Dubbo.
