- Complete and submit an evaluation for reporting and quality improvement purposes
- Please ensure this event suits your level of interest, experience and qualifications

Getting the Jump on Breast Cancer

Presented By
Dr Melinda Van Oosterum

Clinical Coordinator and Designated Surgeon
BreastScreen NSW

The team from BreastScreen NSW Western Region discuss where primary care clinicians can invest the best use of their time and resources to get the jump on breast cancer for their patients.

Program

- 7.00pm** Welcome, Acknowledgement of Country & Introduction
- 7.05pm** Education session
- 8.15pm** Q&A
- 8.30pm** Evaluation & Close

Learning Outcomes

- Describe the benefits of a BreastScreen-mediated breast cancer diagnosis for patients with Breast Cancer
- Implement practice framework focusing on the importance of early interactions in Breast Cancer management
- Discuss ways to optimise Breast Cancer clinical outcomes: including cases diagnosed outside of BreastScreen, aggressive and advanced disease progression presentations
