- Complete and submit an evaluation for reporting and quality improvement purposes
- Please ensure this event suits your level of interest, experience and qualifications

Immunisation Update for GPs

Presented by:

A/Prof. Nick Wood

Staff Specialist General Paediatrician; A/Professor in the Discipline of Child & Adolescent Health, University of Sydney, and Associate Director at National Centre for Immunisation Research and Surveillance (NCIRS)

This webinar will explore what has been achieved through the COVID-19 pandemic and what is on the horizon. It will provide an overview of the COVID-19 landscape including latest vaccination stats, safety data, variants, the need for boosters moving forward and updates on other non-COVID vaccines.

Program

- 7.00pm** Welcome, Acknowledgement of Country & Introduction
- 7.05pm** Education session
- 7.50pm** Q&A
- 8.00pm** Evaluation & Close

Note: Q&A time may be extended if there is a high level of audience engagement

Learning outcomes

- Discuss current COVID-19 variants and the need for booster doses for specific cohorts
- Identify patient cohorts that require additional COVID-19 vaccination
- Assess health needs of different groups and the need for additional vaccination including seasonal influenza
