Microsoft Teams

## Event Photography, Footage & Recordings

By attending this event, you agree to being filmed, photographed and/or recorded by WNSW PHN and/or our identified event partner(s). Any recorded material may then be used for online, social media, marketing or promotional purposes. If you do not consent to your image(s) or voice being recorded or shared, please email [cpd@wnswphn.org.au](mailto:cpd@wnswphn.org.au)

## Terms & Conditions

- A minimum of 75% of the webinar must be completed to receive an event certificate for self-reporting CPD purposes and/or allocation of eligible RACGP points & ACRRM hours
- Email name, role, workplace and mobile number details of all attendees viewing webinar on the same device by 10am the day after the webinar
- Complete and submit an evaluation for reporting and quality improvement purposes

## Immunotherapy Update

**Presented by:**  
**Dr Rajat Rai**  
Medical Oncologist

*Immunotherapy (IT), which is very different to chemotherapy, is the new frontier against cancer. As many cancer patients are now undertaking immunotherapy as part of their cancer treatment pathway, it is important for GPs to be well informed about IT. This will be a case-based discussion around various cancer immunotherapy (IT) treatments.*

## Service Profile | Radiation Oncology

**Presented by:**  
**Catherine Osborne**  
Deputy Chief Radiation Therapist | Western Cancer Centre

## Program

- 6.55pm Login
- 7.00pm Welcome, Acknowledgement of Country & Introduction
- 7.05pm Education session (*Dr Raj Rai*)
- 8.05pm Radiation Oncology & Referral Update (*Cath Osborne*)
- 8.15pm Case study & interactive panel discussion | Q&A
- 8.30pm Evaluation
- 8.35pm Close

## Learning outcomes

- Identify various cancers where immunotherapy is used and associated mechanisms of action
- Recognise immune related adverse effects (IRAE's)
- Formulate management plan for patients with IRAE's
