- Please ensure this event suits your level of interest, experience and qualifications

There are no naughty or normal kids

Presented by:
Dr Stuart Crisp
Paediatrician

This virtual education meeting will provide an overview of autism and ADHD. Looking particularly at the GP's role in surveillance, management and referral. Treatment paradigms and specific non-pharmacological and drug options and how the GP can complement other practitioners will also be discussed.

Service Update: RuralKidsGPS Paediatric Care Coordination Service

Presented by:
Tammy O'Connor
Snr Manager Paediatrics Child & Family Wellness| WNSW LHD

This new service works closely with the family and their local and metropolitan healthcare teams to meet the needs of the child through shared care plans, technology-enabled healthcare eg. Telehealth consultations and by providing education and training for local staff and carers.

Program

- 6.55pm** Login
- 7.00pm** Welcome, Acknowledgement of Country & Introduction
- 7.05pm** Education session and case study (*Dr Crisp*)
- 8.00pm** Paediatric Care Coordination Service Update (*Tammy*)
- 8.10pm** Interactive Q&A session
- 8.20pm** Evaluation & Close

Note: Q&A time may be extended if there is a high level of audience engagement

Learning outcomes

- Recognise the red flags associated with paediatric behavioural issues
- Discuss the role of GPs in childhood behavioural disorder surveillance, management and referrals
- Outline how GPs can provide ongoing support to children with behavioural disorders and their families
