Digital Health for Patient-Centred Care

Presenters

Dr Kate Gibson

Colorectal Surgeon

Dr Benjamin Kwan

Endocrinologist, South West Specialist Medical
Centre

Facilitated by

Catherine Worsley

Digital Health Officer, SWSPHN

This webinar, hosted by South Western Sydney PHN, will discuss how technology can be used to improve patient outcomes by better co-ordinating patient-centred care, and facilitating collaboration and communication between specialists and GPs. Specialists, GPs and their clinic staff are encouraged to join the discussion and share ideas.

Key Messages

- The future opportunities for Digital Health solutions to improve care
- The benefits of using My Health Record for patient-centered care
- Share best practices and strategies for improving communication and coordination of care
