Common Skin Presentations in General Practice: Acne, Eczema & Psoriasis

Presented by:
A/Prof. Deshan Sebaratnam
Dermatologist, Liverpool Hospital & Dubbo Health Service

One of the most common presentations in primary care is skin problems. In this talk, A/Professor Sebaratnam will cover eczema, acne and psoriasis including when investigations are required, management in a primary care context and when to refer. With recent advancements in targeted therapies, and access to Specialist Dermatologists in Dubbo somewhat dynamic at present, this a timely update for local GPs and Registrars.

Program

6.30pm Registration, networking and light refreshments
6.55pm Welcome, Acknowledgement of Country & Introduction
7.00pm Education session
8.00pm Case study discussion and Q&A
8.25pm Evaluation
8.30pm Close

Learning outcomes

- Compare different treatments for acne and when they are indicated
- Outline management options for mild to moderate eczema
- Outline management options for psoriasis
