

## Medico-legal insights and strategies for general practice staff

*This interactive presentation will discuss some common medico-legal issues in modern medical practice. It will address practical systems that can be implemented to support the management of risk and promote the delivery of quality services. The discussion topics are:*

- Medicare reforms
- Technology and access to care
- Social media
- Mandatory data breach

**Presented by: Angela Mason-Lynch & Emma Gibson**

*Angela is the Practice Management Specialist for Avant in Practice Hub. She has extensive experience managing practices of various disciplines and size*

*Emma works in the Risk Advisory Service where she offers advice and guidance on a range of current topical issues affecting Doctors and practices throughout Australia*
