

Autism Spectrum Disorder

This will be an interactive case-based education session to discuss Diagnostic criteria for Autism, including identifying children that require further assessment, and the screening and referral pathways for these patients. The session will also discuss co-morbidities that often occur with Autism.

Presented by: Dr Samridh Nagar Senior Staff Specialist, Bathurst Hospital
MD (Paed), FRACP (Neonatal medicine), FRACP (General Paediatrics), MPH

Date: Thursday 22nd November 2018

Time: 6.30pm – 8.30pm

Location: PHN Conference Room, Ochre Health Medical Centre, CSU Campus Bathurst

Target Audience: GPs, Registrars and Medical Students

Program:
6.30pm - Registration/Lunch (provided) and Welcome
7.00pm - Education Presentation/Case Study Discussion
8.00pm - Interactive Discussion/Q&A
