WESTERN NSW

An Australian Government Initiative

Dubbo Medico Masterclass – Dermatology

This education session will provide GPs, Registrars and Medical students with an opportunity to broaden their exposure to dermatology. The session will cover skin cancer diagnosis and management including a practical session on biopsy and excision using pig bellies. The session will also cover common chronic skin conditions such as eczema and psoriasis as well paediatric skin conditions such as birthmarks and exanthems.

Presented by:

Dr Deshan Sebaratnam and Dr Nicholas Stewart, Dermatologists

Date: Monday, 15 October 2018

Please note
