

# Primary Care CPD Event

## Invitation

## Management of urinary continence

*Bladder continence is a major health challenge in men and women. This education session will explore new advances in diagnosis and management of urinary incontinence, challenges in management in regional NSW and ways to overcome these barriers.*

**Presented by:** Dr Bala Indrajit, Urological Surgeon

**Date:** 5 June 2019

**Time:** 6.30pm to 8.30pm

**Location:** Mudgee Golf Club, 21 Robertson Street, Mudgee

**Target Audience:** This is a GP and GP Registrar focussed event, however, interested Nurses, Aboriginal Health Professionals, Pharmacists, Medical Students, Specialists, Physiotherapists and other interested Allied Health Professionals are also welcome to attend

**Program:**

- 6.30pm - Registration/Light Refreshments (*provided*)
- 6.45pm - Welcome
- 6.50pm – NDIS Update (*Lauren Cayeaux, National Disability Insurance Scheme*)
- 7.00pm - Education Presentation & Case Study Discussion
- 8.00pm - Interactive Discussion/Q&A
- 8.30pm - Evaluation and Close

**Learning Outcomes:**

- Discuss pathophysiology of urinary continence
- Explore new modalities for incontinence treatment
- Identify local referral pathways and services available
- Discuss safe techniques in catheter insertion to minimise patient risk

**RSVP Date:** 27 May 2019

**Online Registration:** <https://www.wnswphn.org.au/events/event-registration?eventid=676>
