

Mudgee GP Education Evening

Invitation

SimGP | Pain management

This session will provide GPs with an opportunity to tackle a virtual patient consultation (SimGP) and engage with their colleagues in a consultative diagnostic approach to investigate presenting symptoms, diagnose the underlying condition and explore appropriate treatment options. This interactive session will be followed by an educational debrief facilitated by a Pain Specialist to reinforce best practice and discuss the practical challenges raised during the simulated consultation.

Presented by: Dr Alan Nazha, Pain Specialist

Date: Wednesday 25th September 2019

Time: 6.15pm to 8.30pm

Location: Mudgee Golf Club, 21 Robertson Street, Mudgee

Target Audience: GPs, Registrars and Medical Students

Program:
6.15pm - Registration/Light Refreshments (provided)
6.40pm - Welcome
6.45pm - Education Presentation & Case Study Discussion
8.45pm - Evaluation and Close

Learning Outcomes:

- Measure and assess patient pain levels in primary care to facilitate functional-based action plans
- Explain the biopsychosocial pain paradigm to patients as a basis for individualised treatment decisions
- Discuss the role of analgesic treatment options in pain management in primary care
- Discuss the impact of pain on function and implement management options to improve quality of life for patients with pain

RSVP Date: 17 September 2019

Online Registration: <https://www.wnswphn.org.au/events/event-registration?eventid=728>
or email erica.gilbert@wnswphn.org.au
