

Primary Care CPD Event

Invitation

'The Tea Leaves are in my Tea' - Blood and Protein in the Urine

This session will address:

- Proteinuria – overflow, glomerular and tubular
- Haematuria – glomerular and urological

and common causes including a concise and understandable description of glomerulonephritis (it's not that scary!), appropriate investigations for the patient in front of you and when to refer urgently.

Presented by: Dr James Collett, Renal Physician

Date: 24 July 2018

Time: 6.30pm to 8.30pm

Location: Lazy River Estate, 29R Old Dubbo Road, Dubbo

Target Audience: This is a GP and Registrar focused event

Nurses, Pharmacists, Medical Students, Specialists, Allied Health Professionals and other interested health professionals are also welcome to attend.

Program:

- 6.30pm - Registration/Light Refreshments (provided)
- 6.55pm - Welcome
- 7.00pm - Education Presentation & Case Study Discussion
- 8.00pm - Interactive Discussion/Q&A
- 8.30pm - Evaluation and Close

Learning Outcomes:

- Approach the causes of proteinuria in a systematic way
- Approach the causes of haematuria in a systematic way
- Justify further investigations in a patient with haematuria/proteinuria
- Identify 'red flags' in patients who present with haematuria/proteinuria and know when to refer promptly

RSVP Date: 17/7/18
