

Primary Care | Webinar Invitation

Update on Pharmacology Options for Chronic Pain

Clinicians are invited to attend a webinar on **Pharmacology Options for Chronic Pain**. This session outlines how to recognise neuropathic pain in general practice and provides up to date evidence on which drugs to trial; discusses how to wean opioids safely in the community setting; and reviews the latest evidence for the role of cannabinoids in future therapies.

Presented by:

Dr Amanda Johns, MB BS, FRACP (AFRM), FFPMANZCA
Rehabilitation and Pain Specialist, HammondCare Greenwich Hospital

Date: August 19, 2020

Time: 6.30pm – 7.30pm

Target audience: This is a GP/GP Registrar and Pharmacist focused webinar, however Nurses, Aboriginal Health Professionals, Medical Students, Allied Health Professionals and other health professionals with an interest in this topic are also invited to attend.

Webinar registration: <https://attendee.gotowebinar.com/register/8471576970611495184>
