Why is it so hard to refer children to the paediatric service in Orange? Is it the fault of ADHD and Autism?

**Presented by: Dr Stuart Crisp,
Consultant Paediatrician WNSWLHD , Clinical Senior Lecturer University of Sydney**

Learning Outcomes

- Discuss the various presentations of autism in children
- Identify the differential diagnoses and co-morbidities in ADHD
- Detail the GP role in referral to the Paediatric Clinic in 2019.

**Registrations to: katie.prior@wnswphn.org.au
Or Call : 02 6813 0933**

This activity will be approved for 2 RACGP Category 2 QI&CPD points,
