

CENTRAL WEST
MEDICAL ASSOCIATION

GP Education Day

Invitation

An Australian Government Initiative

The Central West Medical Association and the Western NSW Primary Health Network invite you to the next GP Education Day in Orange on Saturday, November 3, 2018. Join GPs from across the Central West to hear from a variety of local Medical Specialists who will provide clinical updates and developments in their specialties. There will be plenty of opportunity for networking, open discussion, Case Study Analysis and Q and A.
