

PROTECT YOURSELVES AND YOUR LOVED ONES

Do **NOT** enter this Residential Aged Care Facility if you have not had the 2020 flu vaccine

- All visitors must have had an up-to-date (2020) flu shot
- Do not visit if you are feeling unwell
- To protect our residents we are screening all visitors, including asking whether you have had the 2020 flu vaccine
- Anyone who has not had the 2020 flu vaccine cannot enter this facility, except in special circumstances. People who cannot have the flu vaccine due to a medical contra-indication need to provide medical evidence to confirm this, to meet these special circumstances.

Issued under the *NSW Public Health (COVID-19 Residential Aged Care Facilities) Order 2020*.
