

Referral framework

All referral will be seen by a renal physician within 14 days.

During normal working hours, our renal physicians are happy to discuss any referrals.

Send referral to...

Orange - Send referral via Argus to secretary@cwurology.com.au or

Fax referral to 02 5310 1456

Name of clinical condition / presentation

- Prostate Cancer

Indications for specialist referral

- PSA elevation or elevating trend. See current Cancer Council guidelines on PSA testing

Referral information required

- Referrals marked 'urgent'

Investigations required

- Two PSAs with minimum 6 week interval (one with free/total ratio)
- previous PSAs helpful if available
- MSU
- Urinary tract US as appropriate based on history
- Assess for retention in macroscopic haematuria and seek urgent care if evidence of same

'Red Flag' items

- PSA over 20 in the absence of infection

How to access care in the event of a 'red flag'

- Contact the Urologist direct

Other information

- MBS support for multi-parametric MRI prostate is now available in appropriate patients after consultation. These supplement but do not replace the role of biopsy
